This course is intended for planning, design and construction professionals such as biologists, landscape architects, engineers, geoscientists, planners, contractors and others with expertise and experience in the application of Green Shores principles, who are interested in proving their proficiency. Those who are successful and pass this portfolio-based course will be listed on the SCBC website as passing BCIT's Green Shores Level 3: Professional Proficiency and meeting SCBC's requirements to be acknowledged as a Green Shores Approved Professional. This course will not gauge your experience and proficiency in your chosen profession. Rather, it will gauge your ability to apply the Green Shores credit and rating systems within the context of your profession.

I have participated in the planning, design or construction of at least one project that has achieved a Green Shores rating	<input type="checkbox"/> Yes <input type="checkbox"/> No
I have participated in the planning, design or construction of at least one project that did not achieve a Green Shores rating but do have a deep understanding of Green Shores and can use the project to demonstrate how it could have achieved a Green Shores rating	<input type="checkbox"/> Yes <input type="checkbox"/> No
I have participated in the planning, design or construction of at least one project that contained elements of Green Shores and can use the project to demonstrate how it could have been re-designed to achieve a Green Shores rating	<input type="checkbox"/> Yes <input type="checkbox"/> No

If you answered yes to at least one of these questions, and do consider yourself to be a professional with a deep understanding of Green Shores credit and rating systems, with the ability to apply Green Shores principles to real-world projects, you will be approved to register for Green Shores Level 3: Professional Proficiency.

If you answered no to each of these three statements, it's likely you would benefit from some additional real-world experience with Green Shores prior to attempting Green Shores Level 3: Professional Proficiency. If you answered no to all three but would still like to speak with someone about your background and experience to seek clarification as to your readiness to demonstrate your professional proficiency in Green Shores, please contact [dharper@bcit.ca](mailto:dharper@bcit.ca).

Please describe your interest in completing the Green Shores Level 3: Professional Proficiency course at BCIT and how it would benefit you and/or your company (in 100 words maximum)
---

Please note unless you have Green Shores for Homes and Green Shores for Shoreline Development projects that would potentially meet Green Shores specifications, along with their supporting documentation, it would be difficult to complete this course. If you answer no you may be contacted to provide more information.
